February Logos News

Edition 22/23

JESUS IS *Love*.

Feb 1, 2023

Have you ever thought that something your pastor said was 100% wrong? I thought this very thing during our Christmas Eve service as our pastor mentioned that humans are “worth it” in terms of how God views us. There is no way that humans can be worth it, is there? All we need to do is turn on the news to see humans doing horrible things to each other. I can also reflect on my own thoughts and find that I can be largely focused on my own selfishness and self-interests. How can we be with “worth it” when so much of what we do and think misses the mark of what God has in store for us? However, one measure of worth is the price someone is willing to pay. For example, I could list a Wayne Gretzky rookie card on kijiji for \$100 000, but is the card worth that much? Not a chance because no one is willing to pay that much for it. When looking at the price that was paid for my selfishness and sin, it was the very life of Jesus. At this point I realized that I was 100% wrong as the life of Jesus has infinite worth and it was used to pay for my sin and the sin of all humanity for those who will believe in Him. As the JMD Logos program enters 2023, we continue to encourage students to put their trust in Jesus, recognize the cost of our salvation, and live lives that honour God.

January Highlights

For January our theme was Patience and the verse that we chose was **1 Timothy 1:16 But this is why I was shown mercy, so that Christ Jesus could show endless patience to me first of all. So I'm an example for those who are going to believe in Him for eternal life.**

Our students from kindergarten to grade 9 met together for a praise service on January 24th. We were led in worship by Jon Bauer and it was a lively time of praise. Our devotional time was led by Mr. Sherwin and Mr. Oevering. They reminded us of God's patience toward us and the importance of being patient with others. This also leads into our next verse for February.
