#### **c. Christmas Concert Beat Seat in the House Raffle**

Worked well with two teams of 2 (grade 7-9) selling tickets and one adult keeping track of the money at the desk.

We raised \$535 at the concert. We have leftover tickets for next year so there is no need to buy more.

Big thanks to Kim G. for spearheading and volunteering. It was so smooth and easy.

The idea next year is that we can do the Best Spot in the Lot before the concert.

#### **d. January Bottle Drive**

January 9-13th with 2 pickups from Skip the Depot. Raised \$367.20.

Potential of having one during the meet the teachers night in September next fall. Add more advertisements for the next time. Will revisit it later on.

### **c. Discussion for Fundraisers from School Families**

Should Friends of JMD allow fundraisers from school families?

The question was raised as to if we can or can not allow fundraisers from school families.

Madame Waters said it is not allowed as it is a rule that the school can not make money off something of that nature. It can cause competition and should be redirected to the Facebook page that has a place to post family businesses. The same thing should apply to Healthy Hunger restaurants as well.

-A few suggestions that could promote the school community businesses would be a possible trade show type event or a gift basket donation. Both are just ideas for now but somewhere we could start in the future.

### **d. Math-A-Thon**

May 22 week

### **e. Spring Hanging Basket & Planter Fundraiser**

Made \$1200 in profit last year.

Kathy will contact Ever-Green and get us signed up.

Do it through HH again for ordering.

### **f. Dates for Spring Track & Field events**

- 500.00 for student supports (Wiggle chairs, fidgets)
- 100.00 for seeds
- 3100.00 for 5 Ipads, a stylus, chargers, etc.

Kathy T makes a motion that we give the school 3700.00 for student supports, Ipads, and seeds. Valerie approves the motion. Jessica seconds. All in favour. Passed.
